Dear Alicia,

Many thanks for the ASSA Handbook! I shall enjoy studying it. Just a skim is impressive.

Your piece was very well done. I can't imagine the hours it took but I can understand how much you delighted in doing it.

It was especially fun for me to get back to the Sheltie world. Our correspondence was a pleasure. I shall hope for your future successes. Congratulations on the recent ones.

Sincerely,
Carolyn Langdon

P.S. We have just moved to a retirement community.
